

## JOURNAL OF INNOVATIONS IN COMPUTER SCIENCE AND TRENDS IN IT

ISSN No: 3048-4707

VOLUME 1

ISSUE 2

OCTOBER 2024

### Contents

S.No.	Volume-1 Issue-2, October 2024 Published by: BCIIT (Banarsidas Chandiwala Institute of Information Technology)		Page No.
1	Authors :	<b>Mr. Alok Mishra</b>	1-10
	Paper Title :	<a href="#">Exploring Reinforcement Learning: Algorithms, Applications, and Future Directions</a>	
2	Authors :	<b>Mr Akshit Thakur</b>	11-17
	Paper Title :	<a href="#">IoT and Its Contribution in Sustainable Self- Organizing Supply Chain System</a>	
3	Authors :	<b>Ms. Preeti Mishra</b>	18-24
	Paper Title :	<a href="#">Artificial Intelligence in Everyday Life</a>	
4	Authors :	<b>Ms M.Gomathy</b>	25-36
	Paper Title :	<a href="#">Detecting Homoglyph Attacks with Neural Networks: A Robust Approach to Cybersecurity</a>	
5	Authors :	<b>Ms. Mansi Vats</b>	37-44
	Paper Title :	<a href="#">Exploring the Convergence of Quantum Computing and Machine Learning: A Promising Frontier for Innovative Problem-Solving</a>	
6	Authors :	<b>Dr. Shobha Chawla</b>	45-52
	Paper Title :	<a href="#">Potentiality of ML/DL for the security implementations in Industrial IoT Applications</a>	
	Authors :	<b>Ms. Sanjna Gulia</b>	53-59

7	Paper Title :	<a href="#"><u>AI as a Co-Author: The Role of Machine Learning in Collaborative Writing</u></a>	
8	Authors :	<b>Ms. Poonam Rani &amp; Ms. Leena Bhatia</b>	60-72
	Paper Title :	<a href="#"><u>Healthcare Management by Machine and Deep Learning Algorithms</u></a>
