Message from Editorial Advisor

Dear Readers,

Welcome to Issue 13, Volume 1 of the BCIT Newsletter 2024, encapsulating the vibrant activities and achievements from January to June 2024. This edition reflects the essence of BCIT's academic and extracurricular endeavours, showcasing a diverse range of workshops, seminars, and events that have enriched the student community.

From thought-provoking workshops on cutting-edge technologies like ChatGPT and GenAI to insightful sessions on transitioning from campus to corporate life, our **Technical Club** has continued to empower students with valuable skills. The **INNOVATUP Startup and Innovation Cell** has sparked creativity through workshops on intellectual property rights and innovative competitions like Ideathon.

Our community spirit shines through the **Eco-Social Club**, with events such as the Blood Donation Drive, and the **Maya Care Foundation** seminar, alongside the joyous celebrations of **Utsav 2024**, **Women's Day**, and **Founders' Day**. These events exemplify our commitment to holistic development and social responsibility.

The **Cultural Club** and **Sports Club** have also contributed significantly with exciting competitions, cultural celebrations, and sporting events, culminating in unforgettable memories for our students. The **Placement Cell** continues to be instrumental in bridging the gap between academia and industry, with internships, placements, and industrial visits ensuring our students are well-prepared for their careers.

Additionally, the **International Conference ICACCIS 2024** served as a platform for intellectual exchange, fostering innovation and collaboration across global boundaries.

As we reflect on these achievements, we extend our heartfelt gratitude to all the faculty, staff, and students who contributed to making these events a grand success. We hope this issue inspires you as much as it has inspired us in putting it together.

Happy reading!

International Conference ICACCIS' 2024

1st International Conference on Advances in Computing, Communication and Intelligent Systems-2024 (ICACCIS' 2024)

Banarsidas Chandiwala Institute of Information Technology organized its 1st *International Conference on Advances in Computing, Communication and Intelligent Systems (ICACCIS' 2024)* on 30th March 2024 in online mode. The conference provides experts, scholars, and practitioners a platform to share insights on emerging technologies. The meeting was inaugurated with opening remarks by respected director of the Institute, Dr. Ravish Sagar followed by a series of insightful keynote addresses. The interactive sessions facilitated rich exchanges of ideas and practical solutions in the following areas:

Track 1: Artificial Intelligence & Machine Learning

Track 2: Intelligent Computing & Algorithms

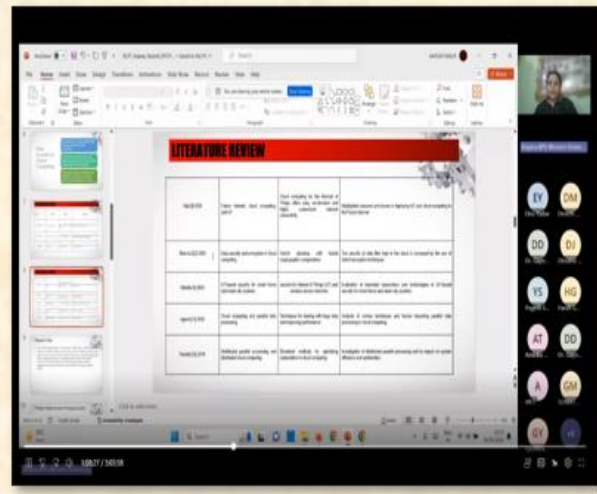

Track 3: System & Software Engineering

Track 4: Network & Security

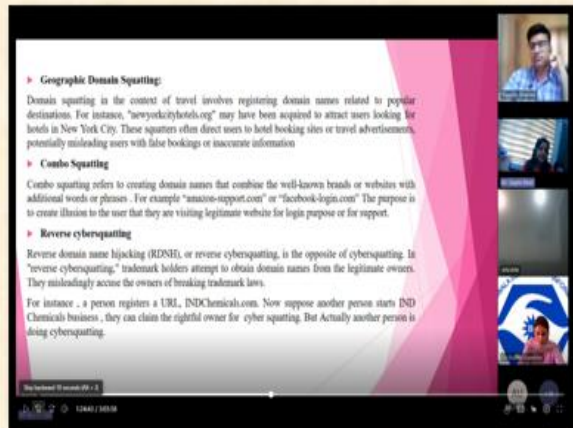

In addition to the formal sessions, the conference offered various networking opportunities. Attendees were able to connect with peers, industry leaders, and potential partners, discussing future collaboration on research. More than 100 research papers were received, and out of those 48 papers in total were selected for publication. The research papers were published in **Elsevier SSRN Conference proceedings**. The best research paper in every track has been awarded with cash prize and e-certificates. All the authors have also been awarded e-certificates for the recognition of their work. The feedback from participants was overwhelmingly positive, with many attendees highlighting the practical relevance of the sessions.

The conference was an impactful event that brought attention to the pressing issues within the research domain. The knowledge shared, the collaborations initiated, and the strategies discussed would have a lasting effect on research work.

In conclusion, the event successfully met its goals, contributing to the advancement of the field. Finally, the organizing committee thanked all the participants for their contributions and looked forward to continued progress in the research domain.

Technical Event

Workshop on “Campus to Corporate”-February 12th 2024

The Technical Club of Banarsidas Chandiwala Institute of Information Technology hosted a workshop titled “Campus to Corporate” on February 12, 2024, in the college auditorium, specifically aimed at all BCA and MCA students. The workshop was led by Ms. Jasneet Kaur Bhalla, a certified soft skills trainer and motivational speaker. During her session, Ms. Jasneet highlighted the critical importance of developing strong personality traits alongside academic excellence. She emphasized that refining one’s personal grooming and soft skills can significantly enhance opportunities in the professional world.

The workshop concentrated on essential skills such as presentation techniques and platform skills, which include confidence building and self-esteem enhancement. Through interactive role-playing activities, Ms. Jasneet provided practical tips and strategies for successfully navigating job interviews, emphasizing the importance of preparation and clear communication. Additionally, she offered valuable insights on how to make a positive impression during personal interviews, which are often a crucial step in securing employment. The students found the workshop highly informative and left with a deeper understanding of the skills necessary for a smooth transition from academia to the corporate environment. Overall, the event was well-received and proved to be a beneficial experience for all attendees, equipping them with practical knowledge and techniques that will be instrumental in their future careers.

Technical Event

Workshop on “Diving into the world of ChatGPT and GenAI”-April 12th, 2024

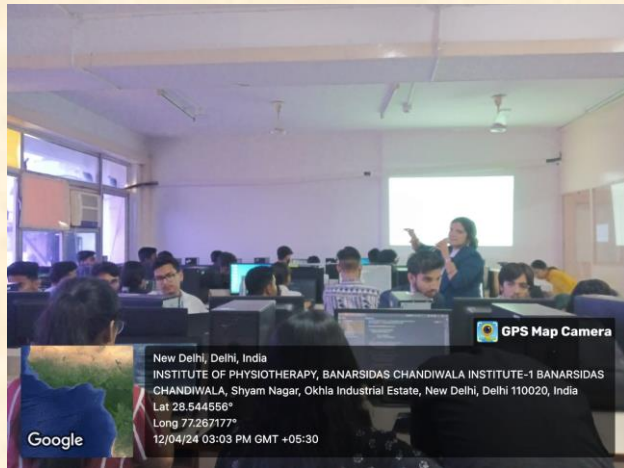

The Technical Club of Banarsidas Chandiwala Institute of Information Technology recently organized an engaging workshop titled “Diving into the World of ChatGPT and Generative AI.” The event featured Ms. Nidhi Grover Raheja as the keynote speaker, who was warmly introduced to the audience by Ms. Sonia Batra, the coordinator of the Technical Club. Ms. Batra also took a moment to express her appreciation by felicitating Ms. Nidhi. As a seasoned technical trainer and author specializing in various cutting-edge technologies, including Python, Machine Learning, Data Science, Natural Language Processing (NLP), Deep Learning, and Generative AI, Ms. Nidhi brought a wealth of knowledge to the event.

In the first session, Ms. Nidhi provided a comprehensive introduction to Generative AI and its applications in real-world scenarios. This interactive session sparked curiosity among the students, who actively engaged by asking questions to deepen their understanding of these emerging technologies. The enthusiasm from the first session seamlessly transitioned into the second session, which was

held in the computer application lab. Here, students were allowed to apply their newfound knowledge by creating their chatbots, offering a practical, hands-on experience that reinforced the theoretical concepts discussed earlier.

The workshop promised and delivered an enlightening experience, equipping students with essential knowledge and skills to explore the dynamic field of Generative AI. Through hands-on sessions, participants interacted directly with ChatGPT, gaining first-hand experience of its capabilities and exploring its potential across various industries, including customer service, content creation, and education. The real-world applications and use cases presented during the workshop helped students understand the broad scope and versatility of Generative AI technologies. Both the students and the faculty members of BCIT greatly appreciated the workshop, recognizing its value in enhancing their understanding of this rapidly evolving field. Overall, the workshop was a resounding success, leaving participants inspired and better prepared to engage with AI-driven technologies in their future careers.

INNOVATUP Startup and Innovation Cell Unveiling Tomorrow's Visionaries, Today

Selecting New Members through Pitching and Interviews: Fostering Innovation

BCIIT Innovation Cell conducted Feb 14, 2024 interviews, shortlisting students for various roles to foster growth and progress. Under the supervision of Mr. Alok Mishra, Incharge of InnovatUp, and the former InnovatUp team, the selection process is complete, and the new innovation team is now ready to drive innovation forward.

Fresh Talent, Fresh Ideas: Selected Innovators for the Future

INNOVATUP Startup and Innovation Cell Ideathon

On 4 March 2024, INNOVATUP, the Startup and Innovation Cell at Banarsidas Chandiwala Institute of Information Technology (BCIIT), organized an Ideathon aimed at fostering innovation among BCA and MCA students. The event, supported by Dr. Ravish Saggur, Director of BCIIT, and guided by Mr. Alok Mishra, President and Cell In charge, was graced by the presence of Chief Guest Mr. Shishir Dubey, CEO of Chromeinfo Technologies. The Ideathon provided a platform for students to brainstorm and develop solutions to real-world challenges, with a focus on encouraging teamwork and innovative thinking.

Triumphant Moments at Ideathon 2024

Participants were divided into teams and engaged in ideation sessions, with mentors guiding to help refine their ideas. Each team then presented their solutions to a judging panel consisting of Mr. Shishir Dubey, Dr. Ravish Saggur, and Mr. Alok Mishra. The presentations covered key aspects such as problem identification, proposed solutions, market feasibility, and potential impact. After careful evaluation, Shivang Gulia was declared the winner, while Aaditya Sharma and Garv Agarwal secured the runner-up positions. The event concluded with participants gaining valuable insights into innovation and problem-solving, showcasing BCIIT's commitment to nurturing a culture of innovation and entrepreneurship among its students. Special thanks were extended to Dr. Ravish Saggur, Mr. Alok Mishra, Mr. Shishir Dubey, the judging panel, the faculty and staff of BCIIT, and the participating students for their contributions to the success of the Ideathon.

INNOVATUP Startup and Innovation Cell Workshop on Voting Awareness -11.03.2024

On 11th March 2024 at 12:40 PM, INNOVATUP organized a workshop at the BCIIIT auditorium to educate first-time voters. Led by the INNOVATUP team under the supervision and guidance of Mr. Alok Mishra, the workshop aimed to raise awareness about the importance of voting and provide participants with clear guidance on the voting process, empowering them to confidently cast their ballots.

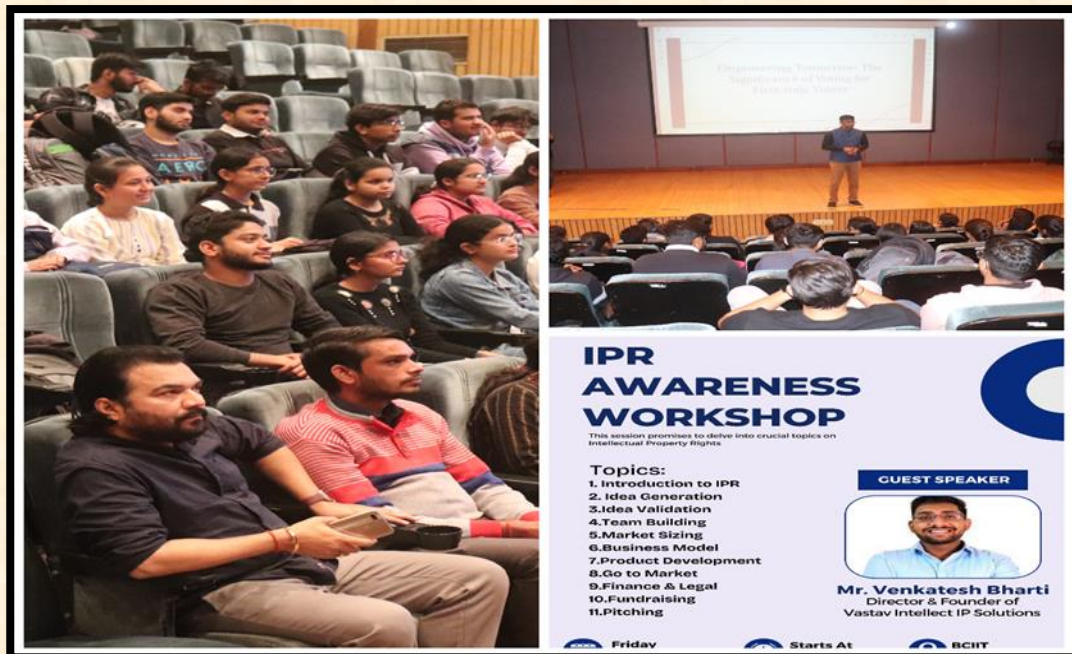

Enthusiastic Participants in the Workshop

INNOVATUP Startup and Innovation Cell Workshop on IPR Awareness

On March 15, 2024, the INNOVATUP Startup and Innovation Cell at Banarsidas Chandiwala Institute of Information Technology (BCIIT) organized an IPR Awareness Workshop focused on educating BCA and MCA students about Intellectual Property Rights (IPR). The workshop, held under the guidance of Dr. Ravish Saggar, Director of BCIIT, and supervised by Mr. Alok Mishra, Cell In-charge, featured Mr. Venkatesh Bharti, Director and Founder of Vastav Intellect IP Solutions, as the keynote speaker.

The primary aim of the workshop was to increase students' understanding of the importance of IPR in innovation and entrepreneurship. Mr. Bharti provided a comprehensive overview of different forms of intellectual property, including patents, trademarks, copyrights, and trade secrets, and explained their significance in today's knowledge-driven economy.

Guest Speaker Mr. Venkatesh Bharti: Empowering Students on Intellectual Property Rights

The workshop began with a keynote address by Mr. Bharti, who detailed the concept of intellectual property and its role in encouraging innovation and creativity. He used practical examples and case studies to illustrate how intellectual property rights are applied in real-world

scenarios, offering students valuable insights into the process of obtaining patents, trademarks, and copyrights.

Mr. Bharti also discussed the challenges and opportunities related to intellectual property protection, emphasizing the need for staying updated with evolving IPR laws and regulations. The event concluded with an interactive Q&A session, where students actively engaged with Mr. Bharti, seeking clarifications and discussing various aspects of IPR.

The workshop was a valuable experience for the participating students, providing them with essential knowledge about intellectual property and its impact on innovation and business success. It reflected BCIIT's commitment to fostering innovation and entrepreneurship, supported by the visionary leadership of Dr. Ravish Saggar and the dedicated supervision of Mr. Alok Mishra.

Special thanks were extended to Mr. Venkatesh Bharti, Dr. Ravish Saggar, Mr. Alok Mishra, the faculty and staff of BCIIT, and the participating students for making the workshop a success. The IPR Awareness Workshop played a crucial role in empowering students with the knowledge necessary to protect their innovative ideas and leverage intellectual property for future success.

INNOVATUP Startup and Innovation Cell Intercollege Ideathon 20-03-2024

The BCIIT Innovation Cell is proud to support participation in the Intercollege Ideathon hosted by Maharaja Surajmal Institute on March 20, 2024. Our students, Garv Aggarwal and Aaditya, from the BCA IV semester, took part in the event, made a significant impact, and were awarded participation certificates. Their involvement reflects the innovative spirit and active engagement we cherish. The Innovation Club appreciates their excellent work and wishes them continued success!

Certificate of Appreciation to Mr Garv and Mr Aaditya

INNOVATUP Startup and Innovation Cell Aspire Leaders Program

BCIIT extends heartfelt congratulations to our students for being selected for the prestigious Aspire Leaders Program! This remarkable achievement, guided by Dr. Ravish Saggar and supervised by Mr. Alok Mishra, President of IIC and Incharge of InnovatUp, brings immense pride to our institution.

Certification from the Aspire Leaders Program will not only boost your resume's credibility but also keep you abreast of the latest advancements in technology.

Eligibility for the program includes: • Age: 18-29 years

- Low-income background
- First-generation college student or recent graduate not currently enrolled in a graduate program
- Intermediate English proficiency

Wishing the best of luck to all our students!

Eco-Social Club Blood Donation Drive

The Eco-Social Club of BCIIT organized a successful blood donation drive in collaboration with Rotary Blood Centre and Lions Blood Centre on 22nd February 2024. The event aimed to promote awareness about the importance of blood donation and to contribute to fulfilling the ongoing need for blood in medical emergencies. The blood donation drive saw active participation from students, faculty members, and staff alike. A total of 73 individuals volunteered to donate blood, demonstrating their commitment to supporting the community's healthcare needs. This significant contribution underscores the altruism and compassion prevalent within our college community.

Active Participation of Students and faculty members

Eco-Social Club Seminar by Maya Care Foundation

The Eco-Social Club of BCIIIT organized an online seminar in association with the Maya Care Foundation on 13th February 2024. The seminar was for BCA and MCA students. Maya CARE has been committed to providing free services to meet the emotional and intellectual needs of elderly individuals in our society. Their mission is to enable them to lead happy and self-reliant lives, with a dedicated Management Team comprising individuals with disabilities. The speaker of the event, Mr. Ayush Garg, briefed the students about the objectives and vision of Maya Care. He also encouraged the students to volunteer and help in those in need through the organization. Around 90 students attended the seminar in online mode. Many students showed their interest to volunteer and contribute in the noble cause .

A Glimpse into Students' Enthusiastic Participation in an Insightful Online Seminar

Utsav'2024 Women's Day and Founders' Day Celebration

On March 7, 2024, BCIIIT celebrated Women's Day and Founders' Day with Utsav'2024, a vibrant event filled with various activities. One of the highlights was the exhilarating treasure hunt organized by the eco-social club of BCIIIT, which saw enthusiastic participation from 27 teams. Each team, comprising four members, embarked on a thrilling adventure across designated locations, deciphering clues and solving puzzles to uncover hidden treasures. The competition was fierce as teams navigated through challenging tasks and obstacles. Team Lakshit emerged victorious, showcasing exceptional teamwork, wit, and determination. The winning team members, Lakshit Nisha Samant, Saumya Semwal, and Anirudh Balodi, demonstrated exemplary problem-solving skills and strategic thinking throughout the hunt and were awarded a cash prize of Rs. 3000. BCIIIT extends its heartfelt congratulations to Team Lakshit and all participants for making the treasure hunt a resounding success. Such events not only celebrate achievements but also embody the spirit of unity and camaraderie that defines BCIIIT's vibrant community.

Poster-Making and Slogan-Writing Competition

A poster-making and slogan-writing competition was held in the second session of UTSAV'24. The event aimed to celebrate the spirit of womanhood and honour the founders of the institute. The topic of the competition was "Gender Equality" and "AIDS Awareness". Approximately 20 students from various departments participated in the competition, showcasing their creative talents and celebrating the essence of the occasion. After a thorough evaluation by the panel of judges, Manpreet Singh, a talented student from BCA 6th semester of BCIIIT, emerged as the winner of the first prize. Shweta Sarup, a student from BPT 3rd year of BCIP, secured the second prize with her exceptional artwork. As a token of appreciation, Manpreet Singh was awarded prize money of Rs. 2000, while Shweta Sarup received Rs. 1000 for her achievement. Their remarkable creativity and dedication truly added to the vibrancy of the event.

Utsav'2024 *Women's Day and Founders' Day Celebration*

Short Film Making Competition

On March 8, 2024, as part of the Women's Day and Founders' Day celebrations, BCIIT organized a short filmmaking competition.

The theme of the competition revolved around AIDS awareness, aiming to shed light on this crucial health issue. Approximately five teams enthusiastically participated in the competition, showcasing their creativity and dedication to raising awareness about AIDS.

After careful deliberation by the panel of judges, the winning team was announced as Aryan Yadav and Jagdeep Singh. Their compelling and informative short film impressed the judges, earning them the prestigious first prize along with a cash award of Rs. 5000. The second prize was awarded to Nishant Negi and his team for their impactful portrayal of AIDS awareness in their film. Additionally, Sachin Sharma and his team secured the third prize for their commendable effort in spreading awareness through their film. All the winners were honoured with trophies recognizing their achievements and received exciting gift hampers as tokens of appreciation for their contributions to AIDS awareness. BCIIT extends its gratitude to all the participants, judges, and organizers for making the Utsav'2024 Short Film Making Competition a resounding success and contributing to the collective effort of promoting awareness and understanding of AIDS.

Cultural Club

Cultural Renaissance: Society Naming Ceremony

BCIIT is excited to announce the launch of its Cultural Societies with new names and a dedicated Organizing Committee for the Cultural Club:

MRIDANG: Our music society, MRIDANG, invites all musicians, vocalists, and music lovers to explore the world of melodies, rhythms, and harmonies.

ATHULYA: Join our dance society, ATHULYA, where we let our feet do the talking and dance our hearts out together!

CHITRANSH: Let your creativity soar with CHITRANSH, our art society. Here, students express their unique visions through colors, shapes, and textures, creating masterpieces together!

RANGMANCH: Our dramatics society, RANGMANCH, is all about lights, cameras, and action! Experience the magic of storytelling as we bring stories to life on stage.

ANUKRITI: Capture the world through the lens with ANUKRITI, our photography society. From landscapes to portraits, students explore the art of visual storytelling, capturing moments that last a lifetime.

ABHIVYAKTI: Words can inspire, provoke, and unite. Our literary society, ABHIVYAKTI, celebrates the beauty of language and literature, offering students the chance to dive into the world of words and share their love for storytelling.

ORGANIZING COMMITTEE: Our Organizing Committee plays a crucial role in shaping the future of these societies! Together, they bring our artistic visions to life, creating unforgettable experiences for our BCIIT family.

Cultural Club Anugoonj 2024 Competitions

For Anugoonj 2024, the annual fest of GGSIPU University, a total of 17 teams took part in the preliminary rounds in October 2023. Out of these, 4 teams emerged as winners and advanced to the finals. Representing Zone 5, BCIIIT participated in Anugoonj 2024, which was held from February 8th to 10th, 2024. Our students competed in 4 events and showcased excellent performances.

Winners were:

Winners: Anchal Dhama & Prachi Tiwari (MCA 1st Year) - Hindi

Manpreet Singh Shines as Runner-Up in On-the-Spot Painting (BCA 3rd)

Cultural Club Intra College Competition 2024

The Cultural Club of BCIIT held a three-day intra-college event in April 2024, on the 5th, 9th, and 10th, to assess students' talents and build their confidence to tackle any challenge. The event saw enthusiastic participation from a large number of students, who enjoyed themselves, discovered new interests, and took part in competitions they never imagined they would enter. There was lots of fun and laughter, and students demonstrated their willingness to step forward no matter what challenges they faced. In this event three societies had their 4 competitions:

1. **Photogenic Photography Competition (Anukriti Photography Society):** An on-the-spot photography competition centered around the theme "Geometry." A total of 40 teams registered, and 35 teams submitted their entries.
2. **Clash of Crafts Competition (Chitransh Art Society):** Participants created crafts on the topic "Indian Cultures and Blending Traditions." There were 9 teams in total.
3. **Alfaaz Hindi Poem Recitation (Abhivyakti Literary Society):** Participants were required to recite a Hindi poem. The competition saw 18 teams enrolled.
4. **Creative English Writing Competition (Abhivyakti Society):** Teams were given three sentences to test their creativity, English vocabulary, and grammar. A total of 27 teams took part.

Additionally, our music society, "Mridang," had its official launch, and for the first time, BCIIT's "GOONJ BAND" performed, captivating the audience and keeping the energy alive!

Students' Artistic Creations – A Showcase

Vibrant Display of Student Talent in Intra-College Competition and Admiration by faculties

Cultural Club -Farewell Party 2024

A farewell party is a special way to say goodbye, creating lasting memories with family, friends, and well-wishers. It's a moment cherished by all, as the final time spent together often becomes a highlight. At BCIIIT, on May 18th, 2024, MCA II year and BCA 3rd-year students, along with their juniors, faculty, and staff, shared a memorable day. Everyone participated, contributing to a warm and lively atmosphere. The event featured a contest to select Mr. & Ms. Farewell (MCA) and Mr. & Ms. Farewell (BCA), along with multiple performances by both seniors and juniors that made the day entertaining. Special titles like Tech Guru, Life of the Party, Social Butterfly, Best Dressed, and All-Rounder were awarded to make the day extra special. Juniors expressed their happiness and gratitude to their seniors for such a wonderful celebration.

Our director, Dr. Ravish Saggar, encouraged students to engage more in such activities. Faculty and staff collaborated closely with the students to make the day truly memorable. This event exemplified BCIIIT's spirit—transforming each day into a valuable learning

Sports Club *Intra-college Gully Cricket Tournament*

The Sports Club of BCIIIT organized an Intra-College Gully Cricket Tournament from 26th to 28th March 2024 for BCA and MCA students of our college. Students from MCA 2nd Sem, BCA 2nd Sem, BCA 4th Sem, and BCA 6th Sem participated enthusiastically in this event.

Tournament Format:

Mixed teams of 11 players per class (minimum of 2 girls per team)
Knockout matches of 8 overs each

Match Schedule and Results: On 26th March 2024, Match 1 took place between MCA 2nd Sem and BCA 6th Sem, with BCA 6th Sem emerging as the winner. Match 2 was held on 27th March 2024, where BCA 2nd Sem faced BCA 4th Sem, and BCA 4th Sem won. The final match occurred on 28th March 2024 between BCA 4th Sem and BCA 6th Sem, with BCA 6th Sem winning the tournament. BCIIIT congratulated all the participants and a special shoutout to BCA 6th Sem for winning the tournament.

Sports Club

Inter-college Gully Cricket Tournament

The Sports Club of BCIIIT organized an Inter-College Gully Cricket Tournament on April 6th, 2024. Students from BCIIIT (BCA and MCA), Banarsidas Chandiwala Institute of Physiotherapy (BCIP), and Banarsidas Chandiwala Institute of Hotel Management & Catering Technology (BCIHMCT) participated eagerly in the event.

Tournament Format:

- Mixed teams of 11 players per class (minimum of 2 girls per team)
- Knockout matches of 8 overs each

Event Details: The tournament kicked off with Match 1 between BCIIIT (Team A) and BCIP at 9:00 A.M., with BCIP emerging as the winner. In Match 2, held at 11:00 A.M., BCIIIT (Team B) faced BCIHMCT, and BCIHMCT won the match. The Final Match took place at 2:00 P.M. between BCIP and BCIHMCT, with BCIP claiming victory. Overall, the winning trophy was claimed by BCIP. Congratulations to all participants and a special congratulations to Banarsidas Chandiwala Institute of Physiotherapy (BCIP) for winning the tournament.

Victorious Celebration: Winners of the Inter-College Gully Cricket Tournament

Placement Cell - Placement News

The Training and Placement Cell at Banarsidas Chandiwala Institute of Information Technology assists students in securing placements by partnering with leading organizations to help them achieve their career goals. The Cell provides the necessary infrastructure for placement activities, including presentations, online and written aptitude tests, group discussions, and interviews, while also ensuring hospitality for industry representatives and adhering to professional ethics. The institute invites reputable IT companies such as Josh Technology Group, IVP, NCR, Knoldus, Grapecity, CVENT, To The New, Daffodil, Genpact, and Nagarro, among others, to recruit talented and innovative students, offering competitive salary packages. The Placement Cell has consistently organized successful placement drives and focuses on students' personality development and professional training to prepare them for their future careers. For the MCA Batch of 2022-24, the placement process began in July 2023, with more than 45 opportunities presented to students. The highest salary package offered so far is 18 LPA, with several students already placed. The list of students who have secured placements is as follows:

Alumni Interactive Sessions

The concept of an alumni association emerged to address the needs of both academics and professionals, aiming to create a bridge between college life and career life. This helps fresh graduates become proactive and prepared to face the challenges of the competitive professional world. Both sides work together to support each other in achieving this goal. Over time, this idea led to the formal establishment of the Alumni Association.

The placement cell of BCIIIT regularly organizes Alumni Talks to provide students with insights into real-life experiences and challenges before entering the workforce. These sessions offer budding students' valuable firsthand knowledge of working within organizations.

BCIIT celebrate Alumni week from 18th March 2024 to 22nd March 2024.

S. No.	Alumni Name	Batch	Profile	Date
1.	Siddhant Pant	MCA 2020-22	App. Dev. Engineer, NCR Co.	18-03-2024
2.	Mohit Saxena	MCA 2018-21	Sr. Software Consultant, Nashtech	19-03-2024

Placement Preparation Sessions

The Training and Placement Cell of our college plays a key role in counseling and guiding students toward successful career placements, acting as a vital bridge between their academic completion and entry into the workforce. Along with campus placements, the placement cell regularly conducts Professional Development programs, including mock interviews, group discussions, technical sessions, and interactive sessions with industry experts, as well as Personality Development programs that focus on communication, presentation, and career planning skills, helping students develop the qualities needed to excel in their careers.

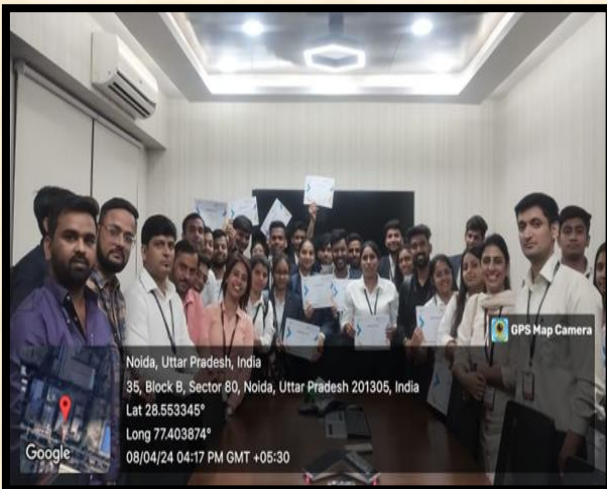

Enthusiastic participation of students in PDP sessions

Industrial visits

Industrial visits were organized for BCA and MCA students to provide them with firsthand exposure to leading companies like Yakult, Saksoft, and Network Bulls. These visits offered students valuable insights into how the corporate world operates, helping to bridge the gap between academic knowledge and industry practices. At Yakult, students observed the production processes and learned about quality control in the FMCG sector.

During the visit to Saksoft, a prominent IT solutions provider, students gained an understanding of software development, data management, and client services. At Network Bulls, a top networking training institute, students were introduced to advanced networking technologies and the importance of certifications in the IT industry. These visits were essential in broadening the students' industry knowledge and preparing them for future career opportunities.

Internships

Internships are essential as they provide students with practical experience in real-world settings, allowing them to apply classroom knowledge and develop professional skills. These opportunities enable students to explore different career paths, build confidence, and establish important industry connections that can lead to future job opportunities. We are delighted to share the success story of our 2022-2025 batch students, where most of our students secured valuable internships with prestigious organizations. This achievement reflects their commitment, skills, and the high-quality education they received during their academic journey. Many students gained significant experience and were offered competitive stipends, underscoring the industry's recognition of their potential. The internships undertaken by our students have given them a solid foundation, preparing them for successful professional careers ahead.

S.No	Student	Company
