Message from Editorial Advisor

Dear Readers,

Welcome to Issue 13, Volume 1 of the BCIIT Newsletter 2024, encapsulating the vibrant activities and achievements from January to June 2024. This edition reflects the essence of BCIIT's academic and extracurricular endeavours, showcasing a diverse range of workshops, seminars, and events that have enriched the student community.

From thought-provoking workshops on cutting-edge technologies like ChatGPT and GenAI to insightful sessions on transitioning from campus to corporate life, our **Technical Club** has continued to empower students with valuable skills. The **INNOVATUP Startup and Innovation Cell** has sparked creativity through workshops on intellectual property rights and innovative competitions like Ideathon.

Our community spirit shines through the **Eco-Social Club**, with events such as the Blood Donation Drive, and the **Maya Care Foundation** seminar, alongside the joyous celebrations of **Utsav 2024**, **Women's Day**, and **Founders' Day**. These events exemplify our commitment to holistic development and social responsibility.

The **Cultural Club** and **Sports Club** have also contributed significantly with exciting competitions, cultural celebrations, and sporting events, culminating in unforgettable memories for our students. The **Placement Cell** continues to be instrumental in bridging the gap between academia and industry, with internships, placements, and industrial visits ensuring our students are well-prepared for their careers.

Additionally, the **International Conference ICACCIS 2024** served as a platform for intellectual exchange, fostering innovation and collaboration across global boundaries.

As we reflect on these achievements, we extend our heartfelt gratitude to all the faculty, staff, and students who contributed to making these events a grand success. We hope this issue inspires you as much as it has inspired us in putting it together.

Happy reading!
