Message from Editorial Advisor

Dear Readers,

Welcome to Issue 14, Volume 1 of the BCIIT Newsletter 2025, presenting a comprehensive overview of events and achievements from January to June 2025. This edition highlights BCIIT's continued focus on academic excellence, innovation, and holistic student development.

The Technical Club organized impactful sessions, including an ATAL-sponsored online FDP on "The Role of Generative AI & Its Applications" and a beginner-friendly workshop on Prompt Engineering, equipping students with in-demand technological skills.

The INNOVATUP Startup and Innovation Cell hosted events such as Venture Talks, the Smart Delhi Ideathon, and a session on entrepreneurship fundamentals, encouraging innovation and startup culture.

The Eco-Social Club promoted civic and environmental awareness through a pledge ceremony for Delhi Elections 2025, a cleanliness drive, and a "Say No to Plastic" campaign. Creative competitions like Aawaaz (Street Play), Trash to Treasure, and Groove Battle (Inter-College Dance) added further engagement.

The newly highlighted Cultural Club enriched campus life with the celebration of Lohri & Makar Sankranti, the Freshers' Party – Aagaz, solo music and dance contests, Flicks & Frames (video-making), and the farewell event – Silsila 2025.

The Sports Club hosted a sports event in February and participated in the Annual Sports Meet with BCIP & BCIPS, encouraging sportsmanship and teamwork.

The Placement Cell remained active with internships, mock interviews, industrial visits, an expert session, and the Alumni Meet 2025, all contributing to students' career preparedness.

We extend our sincere appreciation to the faculty, staff, and students who contributed to the success of these initiatives. We hope this edition inspires pride in the vibrant and evolving BCIIT community.

Happy reading!

ATAL Sponsored Online FDP on "Role of Generative AI and its applications in today's era"

The event, hosted by Banarsidas Chandiwala Institute of Information Technology, was designed to equip educators with the knowledge and skills to harness the power of Generative AI in their academic and professional endeavors

The Faculty Development Program provided a comprehensive understanding of the role and applications of generative AI in today's era, equipping educators with the knowledge and tools to integrate AI into their teaching and research. The final day's focus on future trends reinforced the importance of staying ahead in this rapidly evolving field, inspiring participants to embrace AI as a key driver of innovation and societal progress.

The event was a resounding success, fostering a community of educators ready to lead the way in leveraging generative AI for a better future.

The participants expressed their enthusiasm for the knowledge gained during the FDP. Many highlighted the practical relevance of the sessions and expressed interest in integrating AI-driven methodologies into their teaching and research activities.

The Faculty Development Program on "Role of Generative AI and Its Applications in Today's Era" successfully bridged the gap between theoretical understanding and practical implementation of AI. By fostering a collaborative and innovative learning environment, the FDP empowered educators to become pioneers in utilizing generative AI for academic excellence and societal benefit.

As the event came to a close, participants left with a renewed sense of purpose and a readiness to lead the way in integrating generative AI into their respective fields

Beginner-Friendly Session on Prompt Engineering at BCIIT

The Technical Society , in collaboration with the Microsoft Learn Student Ambassador Program , successfully hosted an engaging and insightful session on Prompt Engineering on February 24th at Banarsidas Chandiwala Institute of Information Technology, affiliated with Guru Gobind Singh Indraprastha University.

The event was an incredible learning experience where students got hands-on exposure to the world Of AI and prompt optimization—a topic that is shaping the future of human-AI interactions. The session was led by Aniruddh Chaturvedi (Beta Microsoft Learn Student Ambassador) under the esteemed guidance Ms. Sonia Batra Ma'am, Coordinator of the Technical Club, BCIIT.

What Happened at the Event?

- Informative Talk on Prompt Engineering – Students explored how AI models like ChatGPT process and generate responses based on well-structured prompts.
- Hands-on Learning – Attendees learned how to craft effective prompts to get the most accurate and creative responses from AI.
- Quizzes & Fun Games – To keep the session engaging and lively, interactive quizzes, trivia, and AI-related challenges were conducted, ensuring that learning was both fun and effective!
- Q&A & Networking – Students had the opportunity to ask questions, share insights, and connect with like-minded peers and tech enthusiasts.
- Insights into MLSA Program – The event also covered how students can become Microsoft Learn Student Ambassadors (MLSA) and access free Azure credits, tech certifications, and global networking opportunities.

Why Was It an Enthusiastic & Engaging Event?

Beginner-Friendly Approach – The session was designed for all skill levels, making it accessible and easy to understand.
Real-Life Applications – Students saw AI in action, making the learning experience practical and useful.
Community Engagement – The event fostered a collaborative environment, encouraging students to think, create, and innovate!

What's Next?

With the overwhelming enthusiasm and participation, this session marks just the beginning of many more exciting AI and tech-related events at BCIIT! We look forward to hosting more workshops,hackathons, and hands-on learning sessions in the near future!

A huge thank you to all participants for making this event a memorable and impactful experience.

ECO- SOCIAL – CLUB

Pledge-Taking Ceremony for Delhi Elections 2025

Date: 28.01.2025
Location: BCIIT Campus

The objective of the event was to encourage students to participate in the democratic process and cast their votes in the upcoming Delhi Elections scheduled for 5th February 2025.

The event began with a welcome address by our director sir Dr. Ravish Saggar, highlighting the importance of voting and responsible citizenship. A pledge-taking ceremony was conducted, where all BCA and MCA students present took a solemn oath to cast their fair vote in the upcoming elections. The students showed great enthusiasm and commitment towards exercising their right to vote. The event concluded with a motivational speech by Dr. Ravish Saggar, emphasizing the power of collective voting and its impact on shaping the future of Delhi.

The event successfully encouraged students to take an active role in the democratic process.The pledge-taking ceremony instilled a sense of responsibility and commitment among students to cast their votes. The event helped create awareness about the importance of voting and its impact on the community.

The pledge-taking ceremony was a resounding success, with students showing great enthusiasm and commitment towards exercising their right to vote. BCIIT is proud to have played a role in encouraging responsible citizenship among its students.

Cleanliness Drive and Say No to Plastic Awareness Campaign

Organized by: Eco Social Club, BCIIT
Date: 28th February 2025

The Eco Social Club of BCIIT successfully organized a Cleanliness Drive and Say No to Plastic Awareness Campaign on 28th February 2025. The event aimed to promote environmental consciousness, encourage sustainable practices, and spread awareness about the harmful effects of plastic pollution.

The primary goals of the campaign were:

- To encourage students and staff to maintain cleanliness in their surroundings.
- To educate participants about the dangers of plastic waste and promote eco-friendly alternatives.
- To instill a sense of responsibility towards environmental conservation.

The cleanliness drive was conducted within the college campus and nearby areas. Volunteers enthusiastically participated in collecting litter, segregating waste, and properly disposing of non-recyclable materials. Special attention was given to removing plastic waste, and bins were strategically placed to promote waste segregation.

More than 50 students and faculty members actively took part in the initiative. Volunteers carried placards with slogans such as “Say No to Plastic," "Keep Your Surroundings Clean," and "Reduce, Reuse, Recycle" to spread awareness among passersby. The event successfully instilled a sense of responsibility and encouraged participants to adopt sustainable habits in their daily lives.

Street Play Competition (Aawaaz)

Organised by: Eco-Social Club, BCIIT

Date: 7th March 2025

On the occasion of Women's Day and Founders' Day, the Banarsidas Chandiwala Instiute of Information Technology (BCIIT) successfully organized an Inter-College Street Play Competition on 7th March 2025. The event aimed to spread awareness about pressing social issues while providing a platform for young minds to showcase their theatrical talents.

The competition witnessed enthusiastic participation from multiple colleges, with teams presenting thought-provoking performances on the theme “Social Issues”. Each play creatively depicted challenges such as gender inequality, domestic violence, women empowerment, and corruption, leaving the audience deeply moved and engaged.

The jury evaluated the performances based on criteria such as script, message delivery, acting skills, and audience impact. After a tough competition, the team from Janki Devi Memorial College emerged as the winner. Their performance was lauded for its compelling storytelling and powerful message, earning them the first prize—a cash reward of Rs. 5100 along with a gift hamper.

The event was a grand success, fostering awareness and encouraging social responsibility among students. It concluded with a vote of thanks to the organizers, participants, and audience for making the competition a memorable and impactful one.

Inter College Dance Competition (Groove Battle)

Organised by: Eco-Social Club, BCIIT
Date: 7th March 2025

On the occasion of Women's Day and Founder's Day, BCIIT organized a grand Inter-College Dance Competition on 7th March 2025. The event witnessed an enthusiastic participation of talented dancers from various colleges, competing in three categories – Solo, Duet, and Group Performances.

The competition showcased a diverse range of dance styles, from classical and contemporary to fusion and freestyle. The audience was mesmerized by the breathtaking performances, energetic choreography, and the passion displayed by the participants. The event not only celebrated the spirit of dance but also highlighted the significance of Women's Day and the legacy of the institution's founders.

After intense competition, the winners were announced as follows:

First Prize: A talented girl, Ayushi Shrivastav from K. L. Mehta Dayanand College for Women secured the top position and was awarded a prize money of Rs. 2000 along with a gift hamper.
Second Prize: The runner-up was a boy, Adtiya Sharma from SGTB Khalsa College, who received a cash prize of Rs. 1500 and a gift hamper.
Third Prize: A group from BCIP claimed the third position, winning Rs. 1000 and a gift hamper.

The event concluded with a vote of thanks by the organizers, appreciating the efforts of all participants, judges, and audience members. The competition provided a vibrant platform for students to showcase their talent and passion for dance, making it a memorable celebration of Women's Day and Founder's Day.

UTSAV 2025

UTSAV 2025

Best out of Waste Competition (Trash to Treasure)

Organised by: Eco-Social Club, BCIIT
Date: 8th March 2025

On the occasion of Women's Day and Founder's Day, BCIIT organized an Inter-College Best Out of Waste Competition (Trah to Treasure) on 8th March 2025. The event aimed to promote creativity, innovation, and sustainability by encouraging students to create useful and artistic items from discarded materials.

The competition saw enthusiastic participation from various colleges, with students working in teams of up to three members. Participants showcased their creativity by transforming waste materials into stunning and functional items, emphasizing the importance of recycling and environmental conservation.

After an intense and inspiring competition, the winners were announced as follows:

- First Prize: The winning team from IINTM secured the top position and was awarded a cash prize of Rs. 1500 along with a gift hamper.
- Second Prize: The team from BCIIT claimed the second position and received a cash prize of Rs. 500 and a gift hamper.
- Third Prize: Another team from IINTM secured the third position, winning a cash prize of Rs. 500.

The event concluded with a felicitation ceremony where the winners were honoured for their innovative ideas. The competition successfully spread awareness about sustainability and the significance of waste management while providing students with a platform to express their creativity.

Rangoli making Competition (Indradhanush)

Organised by: Eco-social Club, BCIIT
Date: 8th March 2025

On the occasion of Women's Day and Founder's Day, BCIIT organized an Inter-College Rangoli Making Competition (Indradhanush) on 8th March 2025. The event aimed to celebrate creativity, artistic expression, and the significance of women in harmony with nature.

Participants, competing in teams of up to three members, were given the theme "Women in Nature" on the spot. The competition challenged them to create intricate and meaningful rangolis that beautifully depicted the deep connection between women and the natural world.

The participants used vibrant colors and innovative designs to craft stunning rangolis, impressing both the audience and the judges. The winners were selected based on creativity, theme relevance, and artistic execution.

The results of the competition were as follows:

- First Prize: Preeti from K.L. Mehta Dayanand College for Women won the top position, receiving a cash prize of Rs. 1500 along with a gift hamper.
- Second Prize: A team from DAV Centenary College secured the second position and was awarded a cash prize of Rs. 1000 and a gift hamper.

The event concluded with a prize distribution ceremony, where the winners were applauded for their artistic excellence. The competition not only showcased the students' talent but also highlighted the essence of Women's Day through their creative expressions.

INNOVATUP Innovation and Startup Cell

Venture Talks

The INNOVATUP Innovation and Startup Cell at BCIIT successfully organized Venture Talks on 23rd January2025 at the BCIIT Auditorium. The event provided a platform for emerging entrepreneurs to share their startup journeys, inspiring students to explore the world of innovation and entrepreneurship.

Guest Speakers & Startups: The session featured dynamic founders from innovative startups who shared their insights and experiences:

- Aurjobs – AI-driven hiring automation (Founder: Mr. Keshav Aggarwal)
- SattvikMinds – Immersive VR therapy solutions (Founder: Mr. Abhishek Pandey)
- Horeka.co – Quick-commerce marketplace (Founder: Mr. Chirag Arora)
- LittleMove – Mobility solutions (Founders: Mr. Rahul Verma, Mr. Prem Kumar Verma, Mr. Harsh Singh)
- PrintDash Technologies Pvt. Ltd. – Customized products (Founder: Mr. Kritish Chopra)

Event Highlights:

The event focused on:

- Knowledge Sharing: Founders discussed their entrepreneurial journeys, challenges, and growth strategies.
- Investment Opportunities: Insights on funding sources and investment strategies for startups.
- Private Mentoring: Interaction sessions with startup founders, allowing students to seek guidance.

Guidance & Leadership:

The event was successfully conducted under the guidance of Dr. Ravish Saggar (Director, BCIIT) and the leadership of Mr. Alok Mishra (Head, Innovation Cell, BCIIT). The event was efficiently managed by #TeamInnovatup, ensuring its smooth execution.

INNOVATIO
VENTURE TALKS

Smart Delhi Ideathon

We participated in the event with the Innovation Cell members to gain a deeper understanding of idea generation and innovation. The event was honored by the presence of Delhi's Lt. Governor, Mr. VK Saxena, along with the Vice-Chancellors of IPU and other leading universities. It served as an excellent platform for networking, knowledge exchange, and fostering collaboration to promote innovation and entrepreneurship. We are excited to apply the valuable insights gained from this enriching experience.

INNOVATUP CELL is proud of our students for receiving participation certificates at the Smart Delhi Ideathon held at Vigyan Bhawan on February 4, 2025. They secured 2nd rank, making a strong impact with their performance. As the in-charge of the cell, I highly appreciate their efforts, which were also recognized and commended by our esteemed Director, Dr. Ravish Saggar, and the entire BCIIT family.

Understanding the World of Entrepreneurship

Date: February 21, 2025 at 12 PM
Venue: Auditorium, BCIIT
Organized by: INNOVATUP Innovation and Startup Cell, BCIIT
Guidance by: Director Dr. Ravish Saggar and Incharge Mr. Alok Mishra

Introduction

The session "Understanding the World of Entrepreneurship" was successfully conducted at Banarsidas Chandiwala Institute of Information Technology (BCIIT) on February 21, 2025. This event was organized as part of the INNOVATUP Innovation and Startup Cell of BCIIT, under the guidance of Director Dr. Ravish Saggar and Incharge Mr. Alok Mishra. The session aimed to introduce students to the dynamic world of entrepreneurship, providing them with valuable insights into startup strategies, funding opportunities, and business growth.

Keynote Speaker

The session featured Dr. Himanshu Puri, Co-founder & COO of Legitquest, who shared his journey as an entrepreneur and provided deep insights into the challenges and opportunities in the startup ecosystem. He highlighted essential aspects of entrepreneurship, including:

- The mindset required to be a successful entrepreneur
- The importance of innovation in business
- Key strategies for startup growth and sustainability
- Various funding opportunities available for startups
- Business planning and risk management

Session Highlights

The interactive session provided students with a platform to understand entrepreneurship as a viable career option. Some of the key takeaways from the event included:

- Learning about the life of an entrepreneur and the journey of building a startup
- Evaluating entrepreneurship as a career choice
- Understanding how to initiate a startup and overcome challenges
- Gaining insights into funding options and business strategies

Student Participation

The session witnessed enthusiastic participation from students, who actively engaged in discussions and asked insightful questions. The interactive nature of the event ensured a productive exchange of ideas, helping students develop a clearer understanding of the entrepreneurial landscape.

Sports Events held on February 2025

Banarsidas Chandiwala Institute of Information Technology (BCIIT) hosted an exhilarating sports event featuring three traditional Indian games: Kho Kho, Seven Stones, and the 100-meter race. The competition showcased the athletic prowess and team spirit of BCIIT students.

Kho Kho:

The Kho Kho matches were marked by swift movements and strategic plays. The final match saw Team A (Team Tejas) clinch victory against Team B (Team Shivang) with a score of 8-7.

Seven Stones:

In the Seven Stones game, teams demonstrated exceptional agility and coordination.
Team sudikha emerged victorious over Team Aanya with a score of 10-8.

100-Meter Race:

The 100-meter race featured intense sprints, with participants competing for the top spots. In the men's category, Ayush Negi secure first place, while Sudikha won the women's race .
The event underscored BCIIT's commitment to promoting physical fitness and traditional sports among its students

Annual Sports Meet organized by BCIP and BCIPS

Event Dates: 15th and 16th April 2025

BCIIT College participated enthusiastically in the Annual Sports Meet organized by BCIP and BCIPS. The event showcased a range of indoor and outdoor sports competitions, providing an excellent platform for our athletes to demonstrate their skills.

Indoor Events:

Table Tennis
Carrom
Chess

Outdoor Events:

Cricket
Badminton
Tug of War

Our athletes delivered impressive performances across several events:

Badminton:

1. Boys' Singles: Runner-up position
   Boys' Doubles: Runner-up position
2. Chess (Girls):
   Runner-up position
3. Cricket (Boys):

Winner: The boys' cricket team emerged victorious, winning the final match by a remarkable 9-wicket margin. BCIIT College secured an outstanding performance overall, with the highlight being the Cricket Boys' Team winning the trophy. Their outstanding teamwork and skillful play led them to clinch the trophy in a thrilling final match on 16th April 2024.

Our students continue to shine in the realm of sports, making the institution proud with their dedication and hard work.

The participation in the Annual Sports Meet was a resounding success for BCIIT College, with our students securing notable runner-up positions in Badminton and Chess and bringing home the cricket trophy. These achievements not only highlight the talent and spirit of our athletes but also reinforce the importance of sportsmanship and teamwork within the college.

Cultural Club

Lohri and Makar Sankranti Celebration January 2025

Lohri and Makar Sankranti, two vibrant festivals celebrated across India to mark the end of winter and the arrival of the harvest season, were joyously observed at BCIIT on January 14th, 2025. The event was filled with warmth, happiness, and a strong sense of unity, with the highlight being the lighting of a bonfire in the campus area. The celebration brought together the staff from various departments, including Hotel Management, Medical Science, Physiotherapy, and Ayurveda, along with students and faculty. After the bonfire, the festivities kicked off with lively music and dance, setting the tone for an evening of pure enjoyment. The vibrant atmosphere and the collective spirit left everyone smiling and content, making the occasion truly memorable.

"AAGAZ",
Freshers' Party for MCA and BCA first-year students

Date: 1st February 2025
Venue: BCIIT Auditorium
Organized By: Cultural Club
Attended By: All BCA and MCA Students

On 1st Feb, BCIIT organized "AAGAZ", the much-anticipated Freshers' Party for MCA and BCA first-year students. The event provided a platform for the juniors to showcase their talents and interact with their seniors. It was a lively and memorable experience filled with performances, fun activities, and special recognitions.

The event commenced with a warm welcome to the freshers by the honorable Director Dr. (Prof) Ravish Saggar. Students displayed their artistic skills through poetry recitations, soulful singing, dynamic dance performances, and mesmerizing instrumental renditions featuring tabla and dilruba. The energy and enthusiasm of the participants created an electrifying atmosphere, making the event a delightful experience for all.

A key highlight of the day was the title ceremony, where outstanding freshers were recognized for their unique qualities. The following students were honored:

Title Winners:

Mr. Fresher (MCA) – Sumeg

Awarded to the most charismatic and impressive newcomer who made a mark with confidence and personality.

Ms. Fresher (MCA) – Anshika

Recognizing the most graceful and confident female fresher who stood out with her charm and elegance.

Mr. Fresher (BCA) – Manjot

Given to the most outstanding male fresher who made a strong first impression.

Ms. Fresher (BCA) – Christina

Honoring the most promising and impressive female fresher in the BCA department.

Life of the Party – Sudiksha (MCA)

Awarded to the most energetic and vibrant student who kept the party alive with their enthusiasm and liveliness.

Bold Brilliance – Suman (MCA)

Recognizing a fresher who showcased exceptional confidence, intelligence, and fearlessness.

Shining Star – Prabhas (MCA)

Given to a student who stood out for their outstanding talent and overall presence throughout the event.

Styling Sensation – Drishti (BCA)

Honoring a fresher with the best fashion sense and style statement.

Scene Stealer – Manav (BCA)

Awarded to the student who grabbed everyone's attention with their outstanding presence and performance.

Dazzling Smile – Dipti (BCA)

DIVYA SINGH (MCA 2nd Sem)
ABHINAV GUPTA (BCA 4th Sem)
PRINCE KUMAR (BCA 2nd Sem)
MANAV MAURYA (BCA 2nd Sem)

A total of 9 teams participated in the competition, each showcasing their creativity and filmmaking skills through their original videos. The teams worked diligently to bring their vision of happiness to life, making the competition even more dynamic and engaging.

Winners –

First Prize Aniruddh Chaturvedi (MCA 2nd Sem)
Second Prize Manav Maurya and Farhan Chaudhary (BCA 2nd Sem)

PENCILS & FRAMES

Farewell Event: Silsila 2025

Date: 3rd May 2025
Venue: Banarsidas Chandiwala Institute of Information Technology, New Delhi
Attended by: All BCA & MCA Students

The Banarsidas Chandiwala Institute of Information Technology (BCIIT), New Delhi hosted a spectacular farewell event titled Silsila 25 on 3rd May 2025, to bid adieu to the final-year students of the BCA and MCA programs. The event marked a significant milestone in the academic journey of the graduating students and served as a celebration of their hard work, achievements, and memories created during their time at the institute. Silsila 25 was a blend of nostalgia, joy, and excitement, as students, faculty, and staff came together to honor the graduating batch.

The event kicked off with a warm welcome from the organizing committee and with blessings of Prof. (Dr.) Ravish Saggar. The venue was beautifully decorated with colorful lights, banners, and photos capturing memorable moments of the students' journey at BCIIT. The students walked in to applause from their juniors and faculty members, making them feel special.

The cultural segment of Silsila 25 was a vibrant display of talent, with performances ranging from music, dance, and skits. Students from both BCA and MCA programs showcased their creative skills, providing entertainment and leaving everyone in high spirits. The performances not only lightened the mood but also provided an opportunity for the students to express their artistic abilities.

The prestigious Student of the Year award for the BCA batch was presented to Diksha and Shivang Gulia, while the Student of the Year award for the MCA batch was given to Jatika and Lakshit. These students were celebrated for their consistent hard work, leadership, and overall contributions to the institute. In addition, all students were given gifts as token of love.

PLACEMENT NEWS

The Training and Placement Cell facilitates the process of placement of students graduating from the institute besides collaborating with leading organizations in setting up their goals. The Cell provides the infrastructural facilities to conduct placement talks, online and written aptitude tests, group discussions, interviews besides catering to the hospitality of industry officials and various ethics. The institute invites various credible IT companies like Josh Technology Group, IVP, NCR, Knoldus, Grapecity, CVENT, To The New, Daffodil, Genpact, Nagarro and others who select our talented and innovative students and offer them competent packages. The Placement Cell of the institute has organized placement drive successfully up to the present time. We actively works for student's personality development and professional training to prepare them for their career ahead.

The Placement process for MCA Batch 2023-25 has been started from July 2024 and more than 40 opportunities have been offered to students and for BCA 2022- 25 batch the placement process starts from Jan 2025 and more than 20 opportunities have been offered to students.

The highest package offered is 13.0 LPA.

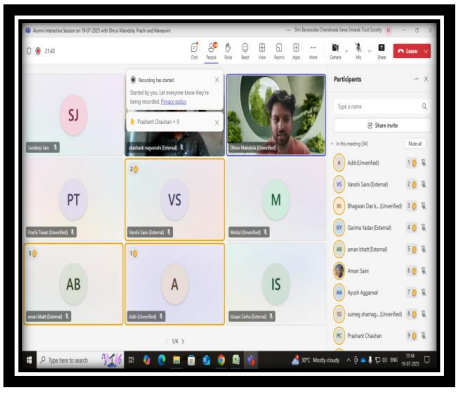
45	PRAGYA BHARGAVA	15k internship
46	LAKSHYA	15k internship
47	SHUVINA RANI	15 k internship
48	Sudar Selva Ganesh M	10k internship

ALUMNI INTERACTION SESSION

The concept of alumni association evolved for needs from both the ends, i.e. academicians and professionals, in the aim of building a bridge between college life and career life, so that the fresher graduates are made proactive to face the current challenges of competitive professional world. Both the ends shall work hand in hand to help each other for achieving the goal. The idea took shape and formation of Alumni Association turned into reality.

BCIIT organizes Alumni talks time and again to enlighten their students so that they can feel the real life experiences and challenges before getting into the organizations, alumni sessions help the budding students to get the first hand knowledge of working in the organization.

Sr. No.	Name of Alumni	Date	Profile	Company
1	Vibhu Dixit	06-01-2025	IT Analyst	NCR Atleos
2	Mohit Saxena	09-05-2025	Sr. DevOps Engineer	Uniper Solutions



Expert Sessions

An Expert Session for Placement Preparation is an invaluable opportunity for students to receive targeted guidance from industry professionals and experts to enhance their chances of securing job placements. During such sessions, experts provide insights into the latest trends in recruitment, offer tips on resume building, and give advice on acing interviews and group discussions. Additionally, these sessions may include mock interviews, industry-specific Q&A, and strategies to improve soft skills, such as communication and problem-solving, which are crucial for success in the hiring process.

Sr. No.	Date	Title of Session	Name	Profile	Organization
1.	29-04-2025	Code to Cloud Session	Mr. Shivam Pateriya	Senior DevOps	Capgemini

यादगार Alumni Meet 2025

A Day to Remember! Our Alumni Meet Was a Huge Success! What an incredible gathering of past and present! Our यादगार Alumni Meet 2025 on 22nd March 2025 at BCIIT was a heartwarming reunion filled with nostalgia, laughter, and inspiration. Seeing our alumni reconnect, share their journeys, and relive their college memories was truly special. From engaging keynote speeches and fun-filled rapid-fire sessions to cultural performances and networking opportunities, the event was a perfect blend of emotions and energy. A special thank you to our distinguished alumni, faculty, and organizing team for making this day unforgettable! Swipe through the highlights and relive the moments! A big shoutout to our amazing alumni community—your success stories inspire us all. Looking forward to many more reunions and stronger connections!

MOCK- INTERVIEWS

Mock interviews were organized to offer BCA and MCA students' practical exposure to aid in their placement preparation. These sessions were designed to acquaint students with the interview process, enhance their communication skills, and boost their confidence. By participating in simulated interview scenarios, students received constructive feedback from seasoned professionals, enabling them to identify both their strengths and areas needing improvement. This initiative plays a crucial role in equipping our students to excel in their future job interviews and secure successful placements.

Industrial Visit to AppSquadz, Noida on 7th February, 2025

An industrial visit was successfully organized for MCA first-year students to AppSquadz, Noida (Sector-63), under the coordination of Ms. Sanjna Gulia and accompanied by Ms. Mansi Vats. This visit provided students with first-hand exposure to the dynamic world of software development, IT solutions, and mobile application technologies.

INTERNSHIPS

We are thrilled to share the success story of our previous batch (2022-2025), where the majority of our students secured promising internship opportunities across various esteemed organizations. This achievement highlights their dedication, skills, and the quality of education they received during their academic journey.

Many of our students not only gained valuable experience but were also offered decent stipends, further emphasizing the industry's recognition of their potential. These internships have provided them with a solid foundation, preparing them for a successful professional career ahead
